### Notes:

- Please answer each question concisely, with no more than 500 words.
- Some questions may not be applicable, dependent on the product, service or system.
- The use of the Term “Product” means a product, service or system
- There are no restrictions on the number of products a company/manufacturer can submit, although you must complete a separate form for each product. When submitting more than one form there is no need to complete your personal and company details again. Just enter the company name.

### Product name

Please provide a brief description of the product

### Product Description

Is the product  
currently on the open  
market?

Yes

No

If no, when is it  
expected to be on the  
market?

---

How will your product improve the comfort levels of our customers, for example by reducing heat loss or regularising humidity?

---

How will your product reduce our customers' energy costs? Please demonstrate financial savings against existing traditional products/systems. Please include description of any budgeting options available, e.g. PAYGO.

---

How will your product help our customers manage their energy costs?

How will your product contribute to increasing the SAP scores of our properties, for example by reducing energy consumption and harmful emissions? Please demonstrate below.

---

How will your product speed up and/or reduce the typical cost of installation, in comparison to the industry standard installation methods of similar products?

---

Demonstrate the return on investment for the product, service or system. (If Applicable)

Has your product been tested and approved by third party accreditation? If so please provide details

---

Does your product come with a warranty? If so please provide details

---

Describe any other ways in which your product could help to improve the maintenance and performance of NIHE houses.

---

**Thank you for taking the time to complete our  
Market Engagement form**

---

**If you wish to submit the details of more than one product, please complete a separate form for each additional product. For each additional product there is no need to re-enter personal or company details other than company name.**
