

Would you like to be more involved in housing issues?

Join the Housing Executive's Tenant Involvement Register!

The Housing Executive is always keen to involve residents in discussing and developing local services and addressing housing issues generally. The organisation recognises that joining a community group does not suit all tenants. So, we are creating a register of interested tenants who would like to be consulted on issues that may affect you. For example, should the Housing Executive be making changes to a policy, like the repairs policy, it would be important for us to know your views.

If you would like to join our Tenant Involvement Register please complete the form below and send to:
