

# Are you interested in housing in Draperstown?

The Housing Executive is currently examining the demand for social and affordable housing in Draperstown through a Rural Housing Need Test.

**Social housing** is good quality housing that is affordable and available to those in housing need. It is provided by both the Housing Executive and registered housing associations.

**Affordable or intermediate housing** is aimed at those households who can afford a small mortgage but cannot afford to buy the property outright. Ownership will be shared with and part rented from a registered housing association (e.g. Co-Ownership HA).

If you would like to be considered for social housing in this area or for any available social housing in Draperstown, please come forward and register an interest with us. You will then have an opportunity to speak to one of our housing advisors about your housing requirements and if necessary, make an application. We will assess the level of housing need of each new applicant using our points system. Both the Housing Executive and Housing Associations allocate social housing based on need using the same waiting list for an area.

**If you want to live in the above location but are finding it difficult to find suitable accommodation please complete the attached form and return by email to [rural.housing@nihe.gov.uk](mailto:rural.housing@nihe.gov.uk) or by post to**

## Please note:

This exercise is to help determine the need for new housing in Draperstown.

If you are already registered with the Housing Executive or a housing association, while we examine the potential for new housing, you will be still considered for any housing that might become available in your current area(s) of choice.

Should you require any further information, please do not hesitate to contact us on: **(028) 9598 2502**
