Numbers of allocations in the Glenarm Common Landlord Area & Waiting list in Carnlough area

1. Is there a higher turnover for 2 or 3 bed homes in Glenarm?

Clarification

I understand there has been one two bed roomed house allocated in the past two years. This is what I am trying to find out...on average are two bed houses allocated quicker. How many three bedroom houses have been allocated in the last two years? How many bungalows have been allocated in the last two years?

Response

In the period 1st January 2020 – 31st December 2022, there was a higher turnover of 3 bedroom properties than 2 bedroom properties in the Glenarm (Village, Glenview, Parkview, Munie) CLA. I would note, however, that this may not be predictive of future stock availability.

In the period above:

- there were <10 3 bedroom houses allocated
- there were <10 bungalows allocated
