

FOI Request for Banbridge Area Housing Details

Could you please send me details of housing in the Banbridge area. I'm looking for details of the high turnover area's in the above.

The area of choice Banbridge Town (DC29) covers all of the estates within the Banbridge Town area. There is regular turnover across a variety of house types (flats/bungalows/houses).

Over the last 6 months we have allocated 20 properties with a selection of 1, 2 and 3 bed dwellings.

This is a highly sought after area with an extensive waiting list, at present all voids are out on offer with customers waiting to view upon completion of repairs.
