

## **Boundaries of area choices in West Belfast**

### **Request**

Could I request information preferably maps highlighting the streets included with the areas of:

Clonard/Falls Court (BT12)

Cluain Mor (BT12)

Lower Springfield (BT12)

Middle Springfield (BT12)

Cavendish Street (BT12)

Beechmount (BT12)

### **Response**

Please find attached a document including all streets included in the above mentioned areas, alongside a map highlighting each mentioned area in West Belfast, although due to the map's scale to include these areas, the street names are unable to be made out. They both exclude the 'Middle Springfield Area' as this is not a Common Landlord Area and we only have lower and upper Springfield as areas.
