

Breach of the code of practice for statistics

NIHCS 2023 preliminary report

Date of occurrence: 13 January 2026

Detail of the occurrence: Contrary to the code of practice for statistics 3.6: *Release at the standard time of 9.30am on a weekday unless an alternative release time is agreed with the Director General of Regulation*, there was a technical issue with the Housing Executive's website which resulted in a 50 minute delay in the publication of the NIHCS 2023 preliminary report.
