The bedroom entitlement in this dataset corresponds to the minimum bedroom requirements under the rules of the HSS, therefore the 'actual' bedroom need of some applicants included in it may vary from the 'calculated' need.
- Applicant Information (all applicants and applicants in housing stress) is as at 31st December 2024.

- Allocation information refers to the number of allocations in the preceding 12-month period.

What are the average points at allocation for 7p5b properties in the named CLAs or within Coleraine or within Causeway Coast and Glens Council area for the last 5 years?

There have been no allocations of a 5 bedroom property during this period.
