Hi [REDACTED]

Funny I noticed this myself yesterday afternoon.

Property news must have made a change or there was an issue on the site.

<https://www.propertynews.com/commercial-property-to-rent/northern-ireland-housing-executive>

I have gone into the site and selected NIHE within the commercial rental section.

Let me know if you get directly to the section from the link above.

We only have 1 property advertised currently, 61 Riverdale Enniskillen.

Looking forward, could we setup a meeting to see if we could create a section within our page just to advertise directly, this would cut down on a monthly charge on Property news?

Many thanks

Hi [REDACTED]

I refer to the recent email trail below.

The link to our page on the Property News website no longer seems to be working. Would you confirm the correct URL:

<https://www.propertynews.com/commercial-property-for-rent/agent-7917/>

Many thanks

Website Content Review Request – Commercial property

Dear colleagues,

As part of our ongoing review of the Housing Executive website, I'm asking content owners to check their pages to ensure the current information is accurate and up to date.

Please respond by Friday 11 July. If any urgent changes are needed, please let me know.

Please also confirm a content author — a colleague who will take responsibility for monitoring and updating your page as needed. This person will also be the main contact for the web team on content matters.

The link below is the relevant page for your review.
