

## **Energy bill relief scheme**

1. Ref question 3 from FOI\_017, can you please tell me how much of the limited money from Energy bill relief scheme (NI) was allocated to 183 Dunclug Park.
2. Under Energy Bill Relief Scheme and supplement bill (For Farmers and tenants with extra energy supply) I as person paying the bill am entitled to half of the £600 for flat 183 Dunclug Park, when am I to receive this payment.

Northern Ireland Housing Executive did not claim the £600 voucher. As a company, we were given a very limited amount of discount under the Energy Bill Relief Scheme which is included in the amount recharged if applicable. NIHE leaseholders are responsible for their own domestic fuel costs and will have been entitled to claim the £600 relief for domestic supply directly.
