NIHE owned land within the Foyleside and The Moor DEAs

I am writing to request both:

- A) a written list**
- B) a detailed map**

Of all land & rivers under the ownership of your organisation within both the Moor DEA and Foyleside DEA.

- A) The attached provides a written list of all land owned by the Housing Executive within the Foyleside and The Moor District Electoral Areas. Please be advised that the Housing Executive does not record individual/specific addresses against many of its land holdings. Where there is an address these have been provided. The Housing Executive does not own and is not responsible for rivers. Queries in that respect should be directed to Rivers Agency.
- B) The attached pdfs (available on request to foi@nihe.gov.uk, due to size restrictions, not included in FOI disclosure log) provide maps showing all land owned by the Housing Executive within the Foyleside and The Moor District Electoral Areas, outside of the curtilage of dwellings and excluding adopted surfaces.
- Providing maps at the scale you require which include land within the curtilage of properties, would allow the identification of individual properties within and outside the Housing Executive's ownership, thereby disclosing the tenancy status of individuals. The Housing Executive considers this information to be exempt from disclosure as the exemption at Section 40(2) of the Freedom of Information Act (Personal Information) is engaged. In addition, disclosure of this personal information would be a breach of the Data Protection Act 2018, Schedule 2, Part 3, Paragraph 16 – Protection of the Rights of Others.
- Further, whilst the Housing Executive retains ownership of the bed and soil of adopted surfaces it has no responsibility for managing or maintaining them. As advised by email on 21st July, given the geographical extent of the areas you have requested, a single map would necessarily be at such a large scale that it would not be possible to show the level of detail you require. Therefore, for each

DEA, a map booklet containing multiple maps of smaller geographical areas have been produced, which together cover the entirety of the DEA.

The Housing Executive does not own and is not responsible for rivers. Queries in that respect should be directed to Rivers Agency.

No decisions should be made in respect of land owned by the Housing Executive based on these maps. Queries on the ownership or maintenance of specific sites should be directed to the Housing Executive.
