

Statistics and costs relating to housing intimidation.

Request

The number of incidents relating to housing intimidation broken down by council area and if you are able to give me the numbers going back 10 years or if you aren't able to go that far back please provide the data for as far back as possible.

Response

The Housing Executive do not record “incidents” of intimidation but can provide data relating to the number of homeless acceptances on the basis of intimidation.

These are provided for the 5 year period 2017-2022 and broken down by Council area in the table below.

In order to comply with Data Protection regulations, numbers have been anonymised where there are fewer than 5 cases to prevent the identification of individuals.
