PART A: TENANCY VERIFICATION

Fraud Warning: Anyone knowingly making a false statement for the purpose of fraudulently benefiting from the provisions of the House Sales Scheme is liable to prosecution.

Secure Tenants/Joint Tenants

In order to process this House Sales application you and any joint tenants must supply proof of identity to establish that you are the secure tenant(s) and are occupying the property as your sole or principal home. This should consist of one of the following documents:

- Current UK Driving Licence with a photograph
- Current passport or National Identity Card
- Translink Senior Smartpass
- Electoral Identity Card

If none of the above is available, two of the following should be produced:

- Birth Certificate
- Benefit Notification
- Credit Card Statement (dated within the last three months)
- Utility Bill (dated within the last three months)
- Medical Card
- Wage/Salary slip (dated within the last three months)
- Bank/Building Society statement (dated within the last three months)
- Marriage or Civil Partnership Certificate

Please note that it is only necessary to provide copies of the documents listed and that originals need not be produced. Failure to provide the required documentation will result in your application form being returned to you.

In the event that any joint tenant does not wish to exercise his/her statutory right to buy, that joint tenant must signify and confirm that he/she does not wish to exercise that right, and give his/her consent to the purchase of the premises by the other joint tenant(s), by signing the relevant section at Part J of this Application Form. The written consent of any joint tenant who does not wish to exercise his/her statutory right to buy **must** be provided at Part J before this application to purchase can proceed. Any joint tenant who does not wish to exercise his/her right to buy and does not wish to be a party to the purchase should refer to the section '**Joint Tenant(s) not wishing to buy**' at Part J of this form and read the notes carefully before signing. **Parts B, E and F** must also be completed by non-purchasing joint tenants as these details may be required to ascertain the eligibility of the remaining joint tenant(s) to purchase.

Note: If all joint tenants do not purchase the property together, discount entitlement in respect of the purchase of the property may be affected. Please contact the relevant Land and Regeneration Office for further advice if required.

A non-purchasing joint tenant who subsequently wishes to exercise his/her statutory right to buy during the course of the purchase can resume his/her application prior to completion by contacting the relevant Land & Regeneration office **in writing**.

PART G: FINANCE

Please note that only persons who have a statutory right to buy their property under the House Sales Scheme ("the Scheme") are entitled to enjoy the benefits which that Scheme confers - for example, the benefit of a discounted purchase price. Any third party who does not have a statutory right to buy a property must not therefore seek to acquire any legal or beneficial interest in that property where it is being purchased under the Scheme (A "beneficial interest" is the right to receive a benefit in a property which is in the legal ownership of another person). For example, any arrangement whereby a secure tenant purchaser exercises his right to buy his property with the result that he holds that property on trust for a third party who has no right to buy under the Scheme will breach the conditions of the Scheme. In those circumstances, the Housing Executive may take legal action to recover the property. Secure tenant purchasers are urged to seek legal advice to ensure that any financial or other arrangements entered into by them in connection with their purchase or ownership of a property acquired under the provisions of the Scheme do not constitute a breach of that Scheme.

The following section requests information required to satisfy the Housing Executive that, upon completion of your purchase, the applicant(s) named in this form will be the sole legal and beneficial owner(s) of the property.

JOINT TENANT(S) NOT WISHING TO BUY

Note: Please note that the tenancy of any joint tenant who does not wish to exercise his/her statutory right to buy and who does not therefore wish to be a party to the purchase of the property will end immediately upon completion of the purchase of the property by the remaining joint tenant(s). Non-purchasing joint tenants are therefore strongly urged to seek independent legal advice to ensure they are fully informed about the implications of signing this section.

By signing this section, a non-purchasing joint tenant confirms:

- a) that he/she does not wish to exercise his/her statutory right to buy the property;
- b) that he/she consents to the property being purchased by the other joint tenant(s) only;
- c) that he/she understands and accepts that his/her tenancy will end immediately upon completion of the purchase of the property by the other joint tenant(s); and
- d) that he/she has been informed that he/she has a right to seek independent legal advice prior to signing this form and that he/she has already obtained whatever legal or other advice that he/she requires and fully understands the consequences of signing.

Please note: witnesses to the non-purchasing joint tenant’s signature should be an independent third party and should not be any of the other purchasing joint tenants.

EQUITY SHARING

Under Equity Sharing tenants can purchase a minimum of 25% of their home. Tenants interested in purchasing equity in their home need not specify the per cent they wish to purchase until the market value of the dwelling has been assessed.

If you are entitled to buy or lease your home the Housing Executive will provide the valuation and an *indication of the housing costs if you proceed with the application. At this stage you can advise the Housing Executive of the amount of equity you wish to purchase.

*The cost quoted will be based upon a typical High Street Mortgage Provider on a 25 year repayment mortgage. Lending Institutions may offer different, better or cheaper products.
