Housing Executive Land ownership at “Dummys Lane” Lisburn

I am trying to find out who owns land alongside 3 Sandown Park and behind Drumard Crescent. Was NIHE responsible for any part of this laneway?

The enclosed map shows the portion of land between Sandown Park and Drumard Lane/Crescent, Lisburn that is in the ownership of the Housing Executive, shaded blue.

Further information on land ownership for the remaining lands in that area is available upon application to the Land Registry.

As you'll see from the map, the Housing Executive does not own the land directly to the rear of no.3 but if you would like to discuss the use/planting of land within the Housing Executive's ownership please contact our Lisburn Local Office on 03448 920900 or lisburndistrict@nihe.gov.uk
