

## **Individuals as part of the Ukraine Sponsorship Scheme that are now statutory homeless**

How many individuals who came to Northern Ireland as part of the Ukraine Sponsorship Scheme (Homes for Ukraine scheme) or the Ukraine Family Scheme are now statutory homeless?

To be clear, I am referring to Ukrainians who arrived in Northern Ireland under either scheme and have now been recorded as statutory homeless.

If a parent has made the homelessness application/registration on behalf of a family, please include the total number of family members affected (not just the one member making the application).

As of 15 February 2023, there are 118 individuals (including children) who came to NI under the above sponsorship scheme who are recorded as statutorily homeless.
