

Request for Information on Allocations & Nationality in N. Ireland.

Request:

I am putting in for a freedom of information request about single foreign males getting houses from the housing executive compared to protestant and Catholic single males in Northern Ireland in the past 10 years.

Response:

In relation to the above request table 1 below provides data on the number of males by single person household type allocated accommodation in N. Ireland from 01/07/2014 to 30/06/23. The table should be viewed in conjunction with the accompanying notes. Data for 01/07/13 to 30/06/14 is not available due to the introduction of a new Housing Management Computer system at that time.
