

24 October 2024

**Our Ref: FOI 557**

## **Request**

We received your request on 15 October 2024 for the following information:

*I was wondering if you could tell me what's included in the mid shankill phase 2 bathroom replacement scheme?*

Your request has been handled under the Freedom of Information Act 2000 (FOIA).

## **Our response**

A full upgrade bathroom scheme incorporates replacement of all sanitary wear on a like for like basis including bath / shower, WC and wash hand basin with associated plumbing works, walls tiles by bath / shower, basin splashback and general redecoration (painting) of the bathroom. Also allows for the installation of over bath showers if not already in situ.

The above specification also extends to where there is a secondary WC in the property on a like for like replacement basis.

This concludes our response.
