Names and addresses of all organisations who received the Ministers Goodwill Grant in December 2024.

Our response

In relation to your query requesting the names and addresses of all organisations who received the Ministers Goodwill Grant in December 2024, I have included details in the table below on information held by the Housing Executive, which details the name of the provider and the name of the project.

In respect of the Goodwill Grant, I would reiterate previous advice which noted, '*the Goodwill Grant is delivered on behalf of the Department for Communities with the Housing Executive providing assistance to facilitate Homeless Connect in distributing the monies to a range of organisations.*

In respect of the Housing Executive's involvement in facilitating the Goodwill Grant, it should be noted that for the award of the Goodwill Grant in 2024 the Housing Executive has followed the same procedure as per previous years, whereby we have provided Homeless Connect with a list of all Supported People funded agencies who provide homeless support. The Housing Executive is not responsible for providing the details of any organisations who are not in receipt of funding from the Housing Executive. All of those agencies for whom we provided details are voluntary sector agencies who provide temporary accommodation and are in receipt of funding via Supporting People grant funding'.
