Our response

As of 2nd December 2024, there was 1 void property, matching those bedroom criteria, which was ready for allocation in the Common Landlord Areas (CLAs) comprising Newry Town; it had held that status for fewer than 30 days.

As of 2nd January 2025 there was a total of 3 units of temporary accommodation which are ready for allocation with these properties being Single Lets which are due to be allocated immediately. None of the 3 units have been ready for allocation for longer than one month.

This concludes our response.
