Request

We received your request on 5 February 2024 for the following information:

Supply under the Freedom of Information Act a list of departments in the Housing Executive where Level 7 vacancies are expected to arise in the next 6 months.

Your request has been handled under the Freedom of Information Act 2000 (FOIA).

Our response

I have been advised by our HR Manager, Resourcing and Employee Services that an annual Workforce Plan is prepared in consultation with each Directorate to create a framework of potential resourcing activity. The Workforce Plan outlines 14 projected Level 7 roles to be recruited before 31st March 2024 across a range of departments including Housing, Asset Management, Regional Services, Finance, IT and Corporate Services. The Workforce Plan will then be refreshed to capture planned recruitment from 1st April 2024 until 31st March 2025.

The implementation of resourcing exercises and posts to be recruited is determined by a number of factors including budgetary constraints, employee turnover and departmental restructuring therefore the exact number or nature of posts cannot be provided.

This concludes our response.
