Non-standard Housing List along with Postcodes for these areas.

1. I am wondering if it is possible for you to provide us with your Non-standard Housing List along with Postcodes for these areas.

Please see below a list of streets and associated postcodes in which our records indicate we have non-traditionally constructed properties (e.g. Aluminium Bungalows, Orlits, No Fines, Timber Framed, etc.). You should note that the construction of most of these properties pre-dates the establishment of the Northern Ireland Housing Executive and that they were transferred to us from predecessor housing bodies. Consequently, the information we hold on these is not comprehensive and the response we have provided is based on the best information that we have. Therefore, the Housing Executive does not guarantee the accuracy of the information.
