Response

The only information that NIHE holds currently for this address is for a scheme Glenfield ECM Project No. 22:78:0049 which is now on site. The work has not been carried out as yet to these properties.

We are unable to provide charges applied to other leaseholders as this is their personal information and exempt under FOI Act Section 40(2) Personal information of a third party and disclosure would contravene data protection principle (a) in Article 5 of the UK GDPR.
