## **Our response**

The delivery of new social housing under the Social Housing Development Programme is managed on a financial year basis. Based on information provided by Housing Associations, who have responsibility for the construction of new social housing, there are no new developments currently programmed to complete in the Carrivemaclone, Daisy Hill/Dominique Street and NewtownCloughogue and Newry City CLA's in 2025/26.

There is a scheme on site at St Clare's Convent within Newry City CLA which contains 30no. 2 bed units and is currently anticipated to complete in 2026/27.

This concludes our response.
