## **Information relating to damp and mould cases reported to the Housing Executive in the last five years.**

### **Previous Request: FOI 22-23 248 responded to:**

How many cases of damp and mould have been reported to the Housing Executive in the past five years (yearly breakdown by area please)

For how many of these cases was an Independent Damp Surveyors' Report issued/other investigation undertaken?

How long did this take in each case? (Time from reporting of issue to issuing of report.)

### **New further linking request: FOI 22-23 265**

In how many cases was remedial action taken?

### **Response**

Between 1<sup>st</sup> September – 31<sup>st</sup> December, 2022, there were 143 jobs issues for remedial works which were the result of a specialist damp survey recommendation.
