Table 1 below contains the Housing Executive stock totals for each of Belfast's Parliamentary Constituencies. These, not HNAs, are the aggregate reporting unit for Housing Executive stock.

The Housing Executive does not hold information in relation to Housing Association stock and does not have a 'fit for use' designation for its own stock.

* The base reporting unit for Housing Executive stock is the Common Landlord Area (CLA) and in some places these CLAs traverse parliamentary boundaries so, for reporting purposes, a hybrid parliamentary category has been created. Table 2 below lists the CLAs and the corresponding parliamentary category to provide context to Table 1.
