Response:

Table 1 provides the details of all void properties, broken down by number of bedrooms, in the Causeway Coast and Glens Council area, as of the 9th February 2023.

Table 1

Bedroom Count	Vacant Property Count
1	14
2	37
3	22
4	4
Overall Total*	77

* Please note the above total is made up of 22 Actionable and 55 Non-Actionable Voids. Actionable voids are properties which are vacant while in the process of being allocated/awaiting change of tenancy repairs. These may also include properties deemed to be difficult to let. Non-Actionable voids are properties that are not immediately available for allocation and are held vacant for operational reasons i.e. decanting purposes (where they are being used to house a tenant on a temporary basis pending works to their home), planned maintenance schemes, and properties which have been identified for sale/transfer or have approval for demolition.
