Our response

The table below outlines the number of single let placements commencing in each of the months requested.

Please note, at this time the Housing Executive is unable to provide homelessness data for January and February 2025 as requested, as this forms part of the DfC Homelessness Bulletin which is yet to be published for this period.

Additionally, please be advised this data was taken from a live database, extracted on 15th April 2025. As a result, the figures may not align exactly with those reported as part of the Homelessness Bulletin, for example due to placements being keyed on to our systems at a later date.

Date	Single Let Placements

Nov-24	125
Dec-24	119

This concludes our response.
