Dear Applicant

**Our Ref: FOI 959**

Your request for information received on 14 October 2025 has been handled under the Freedom of Information Act 2000 (FOIA).

**Request**

*I would like to request the following information, broken down by Parliamentary Constituency:*

*The total number of applicants currently on the housing waiting list.*

*The number of applicants who have been awarded Full Duty Applicant (FDA) status.*

*The number of applicants who have been refused FDA status.*

*The number of applicants who have been awarded Complex Needs points.*

*The number of applicants who have been refused Complex Needs points.*

**Our response**

**The total number of applicants currently on the housing waiting list.**

**The number of applicants who have been awarded Full Duty Applicant (FDA) status.**

**The number of applicants who have been awarded Complex Needs points.**

Waiting list statistics are produced quarterly, so the most recently produced are as at 30<sup>th</sup> September 2025. However, section 13(1) of the Statistics and Registration Services Act 2007 states that 'the person producing any official statistics which are designated under section 12 as National Statistics must ensure that the Code of Practice for Statistics under section 10 continues to be complied with in relation to those statistics.'

Provision of the September 2025 figures before publication of the DfC Housing Bulletin in which the dataset from which they would be drawn is published would be a failure to comply with the Code of Practice in respect of parts T3.3 and T3.4. The figures beyond the period already covered by the latest Housing Bulletin (after 30/06/2025) are therefore currently exempt from disclosure under Section 44 of the Freedom of Information Act –

disclosure prohibited by other legislation, pending publication of the next Housing Bulletin, currently anticipated end November 25.

The table below provides the total number of applicants on the waiting list as at the end of June 2025 by Parliamentary Constituency as these are the most recent statistics available for release at this time. A further breakdown is provided to show the number of applicants in Housing Stress, the number of Full Duty Applicants and the number of applicants with Complex Needs points.

The figures must be read in conjunction with the accompanying notes.

### **Notes:**

- Applicant Information (all applicants / applicants in housing stress / FDA / Complex Needs) is as at end of June 2025.

- Allocation information refers to the number of allocations in the preceding 12-month period.
- Please note that where there are less than 10 allocations, they have been listed as <10 in compliance with Data Protection requirements.
- FDA refers to Full Duty Applicants – these are applicants accepted as being homeless, to whom the Housing Executive owes a duty under the Homelessness legislation, Article 10(2) of the Housing (NI) Order, 1988 to “secure that accommodation becomes available for his/her occupation”.
- The reporting unit for applications is the Common Landlord Area (CLA) and in some places these CLAs traverse parliamentary boundaries so, for reporting purposes, a hybrid parliamentary category has been created. The table below lists the CLAs and the corresponding parliamentary category to provide context.

<b>Common Landlord Area (CLA) and corresponding Parliamentary Constituency</b>	
<b>CLA</b>	<b>Parliamentary Constituency</b>
Cregagh Castlereagh	Belfast East/South

### **The number of applicants who have been refused FDA status.**

In Northern Ireland the Housing (NI) Order 1988 (as amended) identifies the Northern Ireland Housing Executive as the agency tasked with responding to homelessness. The Order places a statutory duty on the Housing Executive to provide interim and/or permanent accommodation for certain homeless households, dependent upon investigations and assessment of their circumstances. In order to be ‘accepted’ as statutorily homeless, a household must meet the four tests of:

- Eligibility
- Homelessness
- Priority Need
- Intentionality

Any household that meets these four tests will be accepted as a ‘Full Duty Applicant’ (FDA) and will be owed a full housing duty.

Data containing the number of households who present to the Housing Executive and are accepted as a ‘full duty applicant’ (FDA) are published as part of the DfC Homelessness Bulletin.

The homelessness figures for 2024/25 are available on tab 1.1 of [this link](#) and the number of households who are accepted as a 'full duty applicant' (FDA) can be accessed on tab 2.1 of the above link. The number of those who did not meet all of the four criteria outlined above, can found in identifying the difference between homelessness presentations on tab 1.1 and acceptances on tab 2.1.

**The number of applicants who have been refused Complex Needs points.**
