Our response

Please note that we are unable to provide the information requested in relation to district offices within parliamentary constituencies and have instead provided this information by council area.

Table 1 below details the total costs for non-standard accommodation made available by each provider broken down by council area over the past five years. Each provider is listed by a number which remains consistent across each of the five years and is consistent with the numbering used in the response to the review of FOI 731.

Please further note that where a provider may have more than one site across different areas these are listed under 'Various'.
